CALL FOR PAPERS

The International Conference on Architecture and Built Environment (ICABE2026) is the flagship conference of the Kulliyah of Architecture and Environmental Design (KAED), bringing together scholars, practitioners, and industry leaders to explore how the built environment can respond to rapid global transitions. As cities, landscapes, and communities face evolving environmental, technological, and socio-cultural challenges, the conference provides a platform for sharing research, ideas, and professional practices that promote resilient, inclusive, and forward-looking approaches to shaping the future of the built environment.

Scope of Topics

- Islamic Values and Ethics in the Built Environment
- Governance, Human Capital and Professional Integrity
- Community Integration and Social Inclusivity
- Sustainable Development, ESG and Circular Economy
- Climate Resilience and Adaptive Futures
- Artificial Intelligence and Smart Digital Transformation

Publication opportunities

- **Scopus Opportunity:** Selected high-quality papers will be published in the *Planning Malaysia Journal (PMJ)*, indexed in Scopus and MyCITE.
- **MyCITE Publication:** All accepted articles are eligible for publication in the *Journal of Architecture, Planning and Construction Management (JAPCM)* IIUM, indexed in MyCITE after editorial review and considerations.
