

Video Guidelines & Submission:

Presentation Mode

This conference will run in a hybrid live mode through Zoom. During your presentation slot, your pre-recorded video will be played for a duration of 10 minutes. This will be followed by a 5 minutes live Q&A session, where you will be asked to be ready to accept and answer questions from the audience through your screen.

Presentation Guidelines

1. Duration of the recording – 10 minutes.
2. Videos should contain a prominent view of the presentation slides. For increased engagement, a view of the speaker's head on the presentation is highly recommended. (Speaker window should be thumbnail-sized and overlaid on the slide).
3. Video Resolution: Maintain a 16:9 aspect ratio with a minimum of 720p resolution settings).
4. File format: mp4.
5. Please check thoroughly that the audio is audible and clear, and that its timing is in line with the presenter's intended narration.

Video Submission Guide

1. The video submission must not exceed 1 GB in size. The video should be in .mp4 format.
2. There are various platforms / applications that can be used to prepare these videos. You may also explore using the PowerPoint slideshow recording tool, shown [HERE](#). (for saving this file as mp4, see [HERE](#)). You may also use Zoom, Google Meet, OBS, Screencast or other tools to record yourself giving the presentation.
3. Name your file as: [ICAMME22_PaperId.mp4](#)
4. Submitting your presentation slides is a requirement. This will be used to moderate the live Q&A session after your video presentation.
5. The deadline for submitting your finalized video is on the **29th July 2022**.
