

THE 4th INTERNATIONAL CONFERENCE ON BIOSCIENCES & MEDICAL ENGINEERING

21 - 22 JUNE 2022 | VIRTUAL CONFERENCE

➤ <https://conference.iium.edu.my/icbme>

Kulliyah of Science, International Islamic University Malaysia (IIUM) is organizing the 4th International Conference on Biosciences and Medical Engineering (ICBME) 2022 with Faculty of Science, Universiti Teknologi Malaysia (UTM) and Universitas Udayana (UNUD) Indonesia. The aim of ICBME 2022 is to bring together academia and industry to share knowledge and experiences, and to showcase innovations and their achievements in health science and engineering.

Theme: Scientific Advancement for Sustainable Resolution of Pandemic

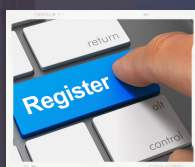

Research Topics

- Applied & General Microbiology
- Biochemistry and Molecular biology
- Biopharmaceutical and Medical Biotechnology
- Functional Food and Nutraceutical
- Agriculture and Biosystems Engineering
- Environment & Energy
- Medical Imaging and Biosignal Processing
- Rehabilitation Technology and Bioinstrumentation
- Biomechanics and Biomaterial

Conference Fee for
Oral / Poster with certificate

RM150 (MALAYSIAN)
USD40 (INTERNATIONAL)
