POSTER PRESENTATION GUIDELINE

- Dimensions
The poster should be an A0 size and must be mounted in portrait orientation. This means that the poster should not be wider than 841mm, and not higher than 1189 mm.
- Title
The title should be the same as in the submitted abstract. Include the title of your presentation at the top of the poster.
- Poster Organization
There is no specific template for the poster layout. Authors are free to use their own design. However, you are advised to divide your poster into sections such as Introduction, Objectives, Methods, Results, Discussion, Conclusions and References. You might consider organizing your poster around the following questions:
 - What problem do you address? (Objectives)
 - Why is this problem important? (Background)
 - How did you address the problem? (Methods)
 - What did you discover as a result of your work? (Results)
 - What are the conclusions or greater implications of your work? (Discussion and conclusions)

POSTERS ARE REQUIRED TO BE DISPLAYED THROUGHOUT THE CONFERENCE.

- Posters representing authors are required to be available for presentation during the scheduled poster sessions.
- The poster should be put up no later than 9 am on the first day of the conference.
