

What are “tired eyes”?

Every individual experiences “tired eyes” differently. Here’s some examples:

“My eyes feel heavy at the end of the day”

“My eyes feel exhausted and I just want to close them”

“It feels like trying to lift weights with my eyes”

ACUVUE® OASYS 1-DAY

Going to Work

Meetings

Working Overtime

Sports

Your demanding days require the right daily lens

People like you have busy, demanding days:

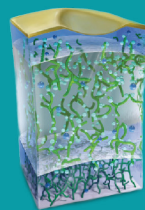

- Staring at digital devices
- Spending time in air-conditioned environments
- Exercising outdoors
- Long working hours

These activities can cause you to experience feelings of "tired eyes" if your contact lenses can't keep up with your days.

*Your daily schedule demands a lot from your eyes. Give them the **exceptional comfort** they deserve.*

ACUVUE® Oasys 1-Day is the Lens Designed to Provide Performance Throughout Demanding Days

Tear like molecules throughout the lens mimic the mucin layer and support tear film for effortless blinking and exceptional comfort

The #1 selling brand worldwide.
ACUVUE® Oasys Brand Contact Lenses are unbeaten in comfort.

Revolutionary HydraLuxe™ Technology:

Tear infused design to help minimize eye tiredness

Industry-leading UV protection.
Blocks approximately 96% of UV-A and 99% of UV-B rays**

Exceptional Performance reported by consumers:

9^{OUT} OF 10

consumers reported lenses "perfectly met the needs of my lifestyle"

More than **80%** of consumers rarely or never experience eye fatigue

92%

of consumers reported **excellent/very good clarity of vision** during daily activities

9^{OUT} OF 10

consumers reported **exceptional lens comfort in multiple environments**

*Performance was based on 243 patients who reported vision, comfort, and satisfaction as assessed on a 5-point scale every 2 hours throughout the day.
