IPRC 2024 FULL PAPER REQUIREMENTS

CONTENT

1. ORIGINALITY
Content contains highly original treatment of, or new perspective on, the topic. The research approach is novel and/or sophisticated and appropriate for the purpose of the paper, and is consistent with the perspective (quantitative, qualitative, mixed, or more specific).

2. RESEARCH APPROACH
Data collection and assessment results are very clear and logical, strongly supporting the goals of the paper. Content reviews and builds on appropriate prior work to a significant extent. The paper makes a highly significant contribution to its field.

3. RESULTS
Data collection and assessment results are very clear and logical, strongly supporting the goals of the paper.

4. SCHOLARSHIP
Content reviews and builds on appropriate prior work to a significant extent.

5. RELEVANCE
The paper makes a highly significant contribution to its field.

FOCUS

1. GOALS
The goals are strongly developed and explicitly stated.

2. ORDER
The order in which ideas are presented is explicitly and consistently clear, logical and effective

3. CONCLUSION
The conclusions are very well formulated and are strongly supported by the data.

LANGUAGE

1. STYLE
The paper is clear, concise, and consistent. It is easily understandable and a pleasure to read.

2. MECHANICS
The writing is near perfect with little to no grammar or spelling errors.
