

CALL FOR PARTICIPATION IN ACADEMIC PUBLICATION

We are pleased to announce that the Office of Jamalullail Chair, IIUM and the Department of Qur'an and Sunnah Studies, Kulliyah of Islamic Revealed Knowledge and Human Sciences, IIUM will be organising the Inaugural Jamalullail Chair for Prophetic Sunnah International Conference on 7th – 9th October 2020. The conference will be held under the patronage of HRH Tuanku Syed Faizuddin Putra Ibni Tuanku Syed Sirajuddin Jamalullail, the Crown Prince of Perlis and Prof. Datuk Dr. Mohd Daud bin Bakar, the Honourable President of IIUM. Participants of this conference will come from various local and international institutions. We are inviting academic staff, researchers, postgraduate students and all interested parties and individuals to participate in this event. Submission of papers is now open.

Notes on Publication

Papers are accepted in Arabic, English, and Malay. For English papers, following are several options for publication:

1. Publication of papers as **chapters in a research book** by an internationally recognised publisher. The theme of the conference will continue to be the main theme of the book. Papers will be reviewed again after the conference and authors will be given adequate time to revise their writings. The book is expected to be published by the end of 2021. Additional publication fee should be expected.
2. Publication of papers in a **special issue of a Scopus-indexed journal**. The publication is subjected to the approval by the editorial board of the journal. Additional fee may apply.
3. Publication of papers in the **regular issue of a Scopus-indexed journal**. The same conditions as (2) apply.
4. Publication of papers in the **non-indexed journals** of the International Islamic University Malaysia such as al-Burhān Journal of Qur'an and Sunnah Studies, al-Risālah journal, etc.

The scientific committee of the conference will review all full papers and inform the authors of the possible options for their respective papers. Initially, all abstracts of accepted papers will be published in the conference book. It is hoped that authors will benefit from comments, feedbacks, and discussion during the conference to improve their writings.

Publication without attending the conference

For English papers, should an author encounter any problems to be present at the conference, the committee may arrange for a video conference. Under limited circumstances, authors may contribute to the publication without attending the conference and the conference fee will be waived. However, the additional publication fee still applies. Authors must ensure that their articles address directly the themes of the conference and that critical assessment and clear methodology are observed in writing their papers. The committee will highly appreciate it if the following guideline is adhered to in the preparation of papers.
